

Woodura Planks 3.0

VIKEN 3.0 XL

Viken is a timeless hardened wood floor with a hard wax oil surface that is inspired by nature. The Natural shade is a reminder of the lush woods of its origins, and the Nature grading emphasises the classic appearance of wood. Made from FSC-certified European oak, the hard wax oil surface has a natural structure that further adds to this wonderful feeling of wood. Due to the maintenance required, we recommend oiled wooden floors in bedrooms and living rooms where there is less heavy traffic. The floors work equally well in busier areas but will require more care in those spaces.
